

# BF-UW Underwater Light Boca Housing for Color Changing (RGB) and Monochromatic LED Strips

**Submersible up to 4 feet – custom lengths 1 ft. - 10 ft.**

The BF-UW housing is designed for use with any linear Boca LED light strips. For color changing and color temperature changing, this includes Boca’s CCS100 RGB strips. For white and popular colors of monochromatic strips, this includes LS10XX Series strips, ACLS10XX Series which uses any SCR dimmer, and the dimmable DLS0XX Series that is capable of smooth fades only previously available in color changing strips.
