

# Rainbow Lights

## Pool & Spa In-wall Lights

### IPL-180 & IPL-90 Pool and ISL-42 Spa – high intensity, RGB intelligent LED lamps that fit common housings

Boca Rainbow Lights are medium Edison screw base, self-contained lamps. They are easy to install in common pool and spa light housings. They are bright, safe and offer all the advantages of LEDs in terms of long life and energy efficiency. With their simple on/off pre-programmed operation, they can cycle through a 9 function program. They can be synchronized together making them suitable for any size pool or underwater feature.
