

# SPTS-XXX

## Small Profile LED Task Light Fixture

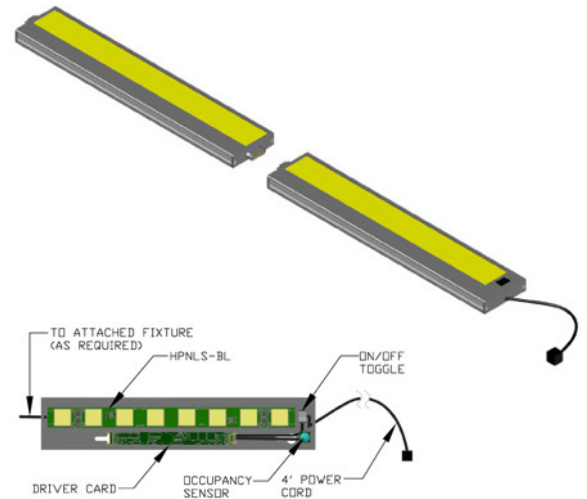

**Ideal for under cabinet use and work stations – high intensity, low profile, white light fixture**

The Boca SPTS is a low profile white light fixture designed to cost-effectively provide energy-efficient task lighting. It is particularly well suited for under cabinet use or for work stations, as well as in additional interior illumination. This patent-pending Boca design features 3000K high intensity, monochromatic LEDs with a linear prismatic lens for ideal lumen output and saturation of light. Besides an on/off toggle switch, the SPTS has an occupancy sensor. The housing is extruded aluminum with a variety of choices as to the exact finish. (Consult with Boca or sales representative for various options).

### Technical Specifications

1W LEDs (white 3K std.)	4 or 6 per fixture
Input Voltage.....	12VAC, 110VAC, 230VAC
Input Current.....	Model dependent
Control .....	Standard Dimming
Driver Type.....	Integral
LED type .....	High Intensity
LED Spacing, Per Strip.....	Model Dependent
Fixture Length .....	12.25" increments –
	...allow + 1/4" for joiner up to 144" maximum length
Fixture Width.....	2.50"
Total Height (not incl. clip).....	0.650"
Base .....	Call factory for options
Connector for Power Supply .....	Whip
Power Cord Length.....	4 ft.

**UL PENDING**

### Key Features

- Compact, energy efficient, fixture designed with suitable high brightness for task lighting applications
- Array of 4 or 6 advanced 1W LEDs per fixture
- Color temperature – 3000K LEDs (std.) Other color temperature options - consult Boca
- Linear prismatic lens provides consistent, uniform light
- Buss-way design allows several fixtures to plug together
- Clear aluminum or black finish – custom colors

### Installation Considerations

- Simple installation using conventional wiring
  - Note: designed for easy multiple fixture installation
- Contact Boca for tips on custom installations

### Applications

- Under cabinet lighting
- Work station / work area illumination
- Interior display and medium luminance cove lighting
- Industrial applications
- Other interior lighting – especially applications that require a medium to high luminance LED fixture
